Conscious Discipline Training and Parent Night

ECLC will be participating in an interactive and educational training with the methodology of Conscious Discipline. A portion of this will be geared towards children with differing abilities and behavioral concerns. We will learn about social- emotional regulation for all ages, as well as some classroom management techniques. We will be closed for these mandatory trainings, but are inviting you to join us on March 21 5-7 p.m. to receive a version for families to help manage at home, with the same methodology. Please see the attached flyer for more info.

Shamrock Sun Catchers

National Craft Month

March is National Craft Month. Here is a fun and simple craft to do at home with your littles this March!

Shamrock Sun Catchers

Important Dates

3/21 & 3/22- ECLC Closed for Training

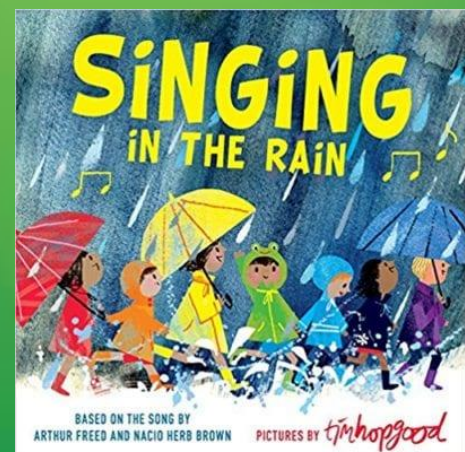

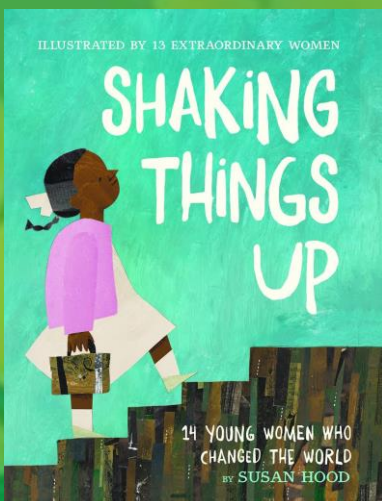

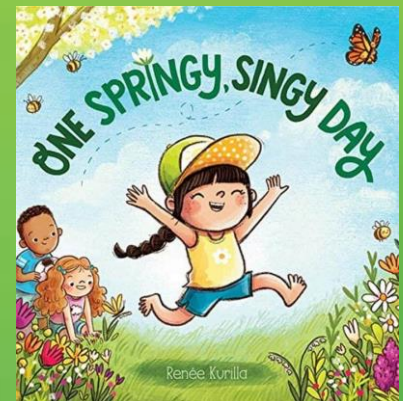

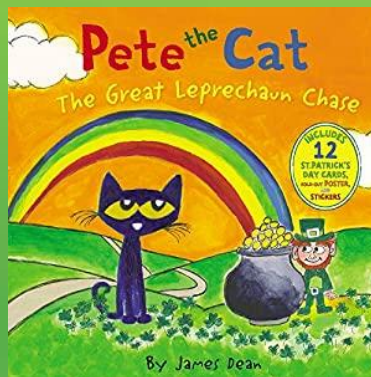

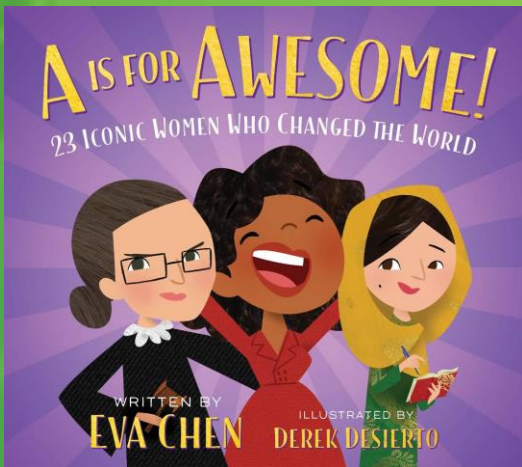

3/21- Parent Training Night

Early Literacy

Continuing with our 2023 theme of promoting a literacy rich environment for our littles, here are some great March themed books that we love!! This list includes some options to learn about extraordinary women, because March is International Women's Month!

Spring

Spring will be here this month, which means, here in Ohio, the weather will not make its mind up if wants to be cold or warm. Please continue to bring extra clothes and shoes with your kiddos, as we will be going outside every day, weather permitting. This means that there will be mud and puddles and while they are learning and exploring, they will get messy. Please do not send your children in shoes and clothes you do not want to get messy. We will try our best to keep things nice, but kids are messy and that is how they learn and we encourage our teachers to get messy with our toddlers and preschoolers and explore all the things inside and out. Please keep a jacket, and dress in layers according to weather, as the days will start being cold in the mornings and warmer in the afternoons. 😊
