Kindergarten!!!

This Fall, we have 14 friends advancing to preschool or Kindergarten! We will be planning a small celebration/ graduation for August, date TBD to celebrate our friends growing up! Please let us know ASAP if you need help with registration, transitions, etc. for transitioning to school!

Ice Cream in A Bag

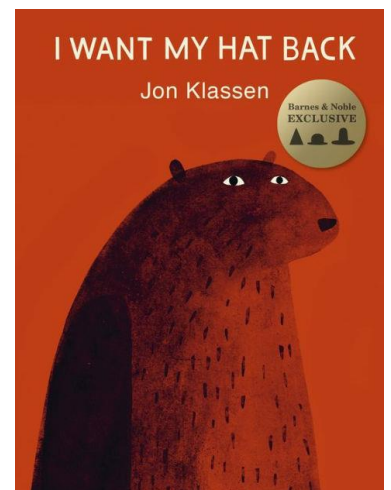

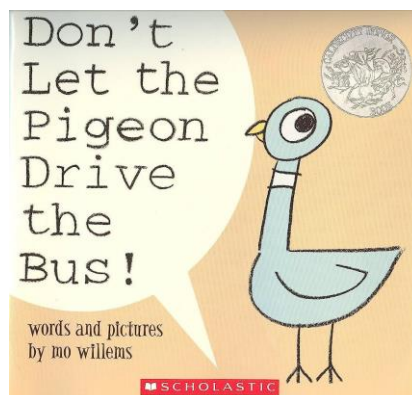

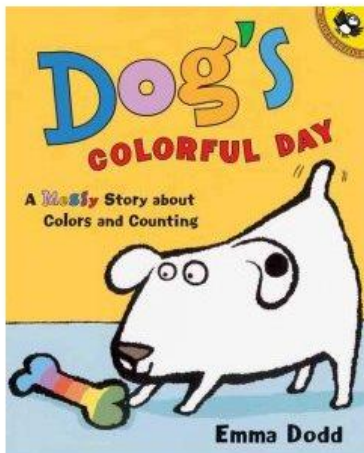

We all need a break from the heat and a fun activity to do with the kiddos to keep their hands busy! Check out this cool treat below!

Maeghan Keck (she/her), Public Services Library Specialist from MidPointe Library Middletown has been visiting us every other Thursday for a special Circle Time and Story Time, altered for each age group. The kiddos have really enjoyed this opportunity and we hope to continue this throughout the school year as well. Our kids have enjoyed learning about the library and seeing so many of their favorite stories come to life. Below we have shared a few of our kids' favorite books they have read this Summer.

It's SUMMER Time

Here is a look at our Summer 2023 so far!! Water days, Kona Ice, Story times, and a visit from Good Green Earth Petting Zoo.
